# C&A WELCOMES TRACY BAUER TO THE TEAM

Please help us in welcoming Tracy Bauer to the C&A family. Tracy will be working in our Dubuque office as an administrative assistant. Tracy and her husband Scott have two boys, Chase and Brody and a family dog named Lila. During the summer months, Tracy enjoys spending time on the Mississippi River boating with her family. Welcome Tracy!

# CORALVILLE OFFICE UP AND RUNNING

Clark & Associates is excited to be offering our prosthetic and orthotic services in the greater Iowa City area. Our recently-opened office located in Coralville has newly established weekly hours in addition to by appointment opportunities. Brian Frank (Partner, Manager), stated, "The new Coralville location provides patients living in the southern portion of Linn County and those in the Iowa City area with convenient access to our services. We are extremely excited about the opportunity to serve in this rapidly growing part of eastern of Iowa."

## MEET DALE

A Patient at C&A Since 1953

Dale Hall's story as an amputee began at the age of 13 when he lost his right leg above the knee in a farm accident. His initial prosthetic care was done in Iowa City but in 1953 he met Dale Clark, who provided his care until Clark's retirement in 1995. From 1995 until the present, Andy Steele has worked with Dale. Said Steele, "Dale is one of the best above the knee amputee walkers I have ever worked with."

Dale has experienced dramatic improvements in the prosthetic technology over his 68 years as an amputee. While those improvements certainly have made a difference in his ability to function on a prosthesis, he believes his positive attitude and willingness to meet challenges head-on were most important. "From the very beginning, I had people telling me I couldn't do this or do that because of my amputation. I didn't listen to them. If I wanted to do something, I was going to give it a try. I didn't always succeed, but I wasn't about to let my amputation limit me."

# 5TH ANNUAL ADAPTIVE SKI EVENT

## The Highlights

On January 9th, Clark & Associates held its 5th Annual Adaptive Ski Event at Sundown Mountain in Dubuque. While the weather was a bit chilly, the fun and excitement that took place on the slopes kept the cold in check. We had seven adaptive skiers participate who ranged in age from eight to 68 years old. Participants who depend on a prosthesis or brace for daily ambulation put aside their disabilities and had a fun and rewarding day on the ski slopes. If you or someone you know would be interested in participating in our 2023 Adaptive Ski Event, please note that we will release the date for that event by November 1, 2022 – check our website and Facebook page for details.

## FROM THE DESK OF DENNIS

To all the people and families of people we serve at Clark and Associates, 'Thank You'. Every associate throughout the company strives to meet and exceed your expectations. We do this because you inspire us. If you need our services, we are committed to helping you heal and or function as close to normal as you can. We set goals and you exceed them; we see limitations and you ignore them; you inspire us to do all we can as you reach for the stars. Many times, we celebrate your accomplishments by posting your story, hoping you will inspire another person's to rise while creating their new normal.

We also thank you for your generous Google reviews and posts on our website, together we can continue to set new standards of care. 2022 will be my 54th year of celebrating watching you all ignore the limits imposed by others, it never gets old, and it never will.
